10th October 2008

Dear Parent/Carer,

As part of the Extended Schools program, Manor Community College is launching a Breakfast Club. We will be providing FREE supervised activities each morning to stimulate the mind or body. This will be enjoyable and beneficial as it is but could also improve learning throughout the day.

Initially we are offering FREE BREAKFAST which could run until at least Christmas if not the whole year, when usage and costs will be reassessed. The breakfast will be based around cereal, toast, fruit and drinks. Items could be added or withdrawn as we monitor healthiness, popularity and costs.

To start with FREE BREAKFAST will run on Monday, Tuesday and Wednesday mornings from 8.10am until 8.40am when school starts. Your child/children should 'sign up' on the register provided in the canteen the day before so we know who to expect and how many to provide for.

When the FREE activities are fully operational the FREE BREAKFAST will be subject to involvement in the activities.

We hope your children will support, enjoy and benefit from these activities.

Yours sincerely,

Ewen Chamberlain
Extended Schools co-ordinator
