

## **Student Council Minutes – 12<sup>th</sup> January 2010**

Present:

- (Undisclosed)

### 1. School Canteen with Wendy

We were delighted to welcome Wendy Jackson from the canteen to student voice today. The main points from our conversation with Wendy were:

- ◆ Canteen staff are approachable, if you would like something to change discuss it in a sensible manner with them and they will try to accommodate your request
- ◆ There are a lot of guidelines which Wendy must follow when pricing and preparing food, if there is something you would like to see on the menu ask. If it is possible Wendy will try to accommodate.
- ◆ The students asked if Menus could be displayed on the school website/intranet each week to keep both students and parents informed. Also it was suggested that next year a page in the planner be devoted to the canteen.

### 2. Mr Slade's Visit

Mr Slade attended today's Student Voice meeting. He informed the group of the new senior student committee which will take the place of the prefects from year 11. 5 of these students will work with student voice to help us impact throughout the school.

Also Mr Slade asked if the group would appreciate new badges with student names and position highlighted. The group unanimously accepted his proposal and BSL has committed to order the badges.

### 3. Priority Timeline

The group discussed the priorities identified at the last meeting and put them in order of when they would like to address each priority. We will approach them in the following order:

- ◆ Fund raising (next agenda)
- ◆ Court Yard improvements (next half term)
- ◆ Anti Bullying work (nearer to Easter)
- ◆ Canteen improvements (after Easter break meet with Wendy again)
- ◆ Review of free time activities (summer term)

### 4. AOB

- ◆ The meeting was quite short due to the fact that many representatives arrived late. Please remember to announce meetings at the start of mentoring to allow for sufficient time to get things done

**Date of the next meeting: Tuesday 9<sup>th</sup> February 2010**
