Dear Parents and Students,

Re: Opportunities at 16+ - Information Evening, Monday 8th October 2007 – 7.00pm

For students in year 11 the final year of compulsory education has begun. The time for making decisions and applications about the future is fast approaching. To help you and them through what for some, can be a difficult task, we are holding a special meeting for parents and students on Monday 8th October 2007.

The meeting will take place in the John Durrant Hall and will open with a short talk from our Connexions Personal Advisor, giving an overall view followed by information and advice from myself regarding the process of application for a place in FE beginning in September 2008, information regarding the Educational Maintenance Allowance will also be given. You will then have the opportunity for informal discussions with representatives from all the post sixteen centres, and the Connexions Services. We should be grateful if you would return the slip below.
